SAILING

It's not far down to paradise
At least it's not for me
And if the wind is right you can
sail away
And find tranquility
The canvas can do miracles
Just you wait and see
Believe me

It's not far to never never land
No reason to pretend
And if the wind is right you can
find the joy
Of innocence again
The canvas can do miracles
Just you wait and see
Believe me

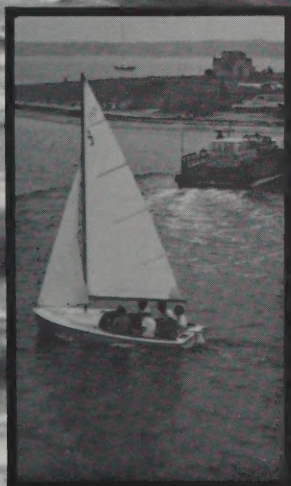

Sailing
Takes me away
To where I've always heard it
could be . . .

Just a dream and the wind to
carry me
And soon I will be free

Fantasy
It gets the best of me
When I'm sailing
All caught up in the reverie
Every word is a symphony
Won't you believe me

It's not far back to sanity
At least it's not for me
And if the wind is right you can
sail away
And find serenity
The canvas can do miracles
Just you wait and see
Believe me

AND IF THE WIND IS RIGHT YOU CAN

JUST YOU WAIT AND SEE

SOPHOMORES

The Sophomore Class of 1982-83, led by science teacher Miss Mary Wolochowicz, spent their first year at Agawam High School learning the ropes. They elected their first class officers in the fall. Dan Christian was chosen for President. Their Vice President was Jeff Wands, along with Secretary Michelle Grey, and Treasurer Chris Burrows.

Their first major activity was a dance held in the beginning of 1983. They have high hopes for their remaining years at Agawam High School and the graduating seniors extend their best wishes to a promising class.

FIRST MATES

JUNIORS

The class of 1984, working its way up the ladder, had many exciting events during its Junior year.

Junior class officers in 1982-83 were Steve Jury-president, Thomas Hanson-vice-president, Karen Albano-secretary, and Lena Kozloski as treasurer. They did not have a class advisor until several weeks into the year when Guidance Counselors Elaine Bellico and Jane Williams volunteered.

The major highlight of the year was, of course, when the "Ring Man" came. This gave the underclassmen proof that they were on their way to the top! There was also the very successful Christmas dance, held on December 17, 1982.

All in all, the class of 1984 proved, that with their rowdiness and excitement, as well as personal motivation, this Junior class would be the best.

SHIP'S ACTIVITIES

AMERICAN FIELD SERVICE

The American Field Service (AFS) is a group composed of sophomores, juniors and seniors. It is now an international organization started by World War II ambulance drivers. The Agawam chapter, of 1982-83 fostered two special students, Heidi Nachtigall from West Germany, and Mats Karlsson from Sweden.

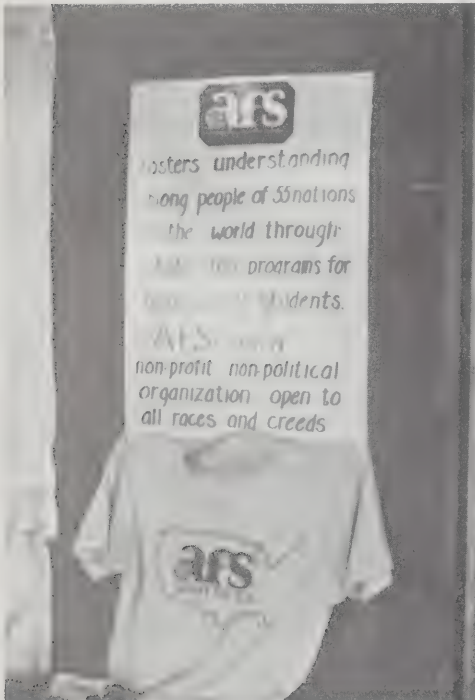

Many activities were planned including an all-day party with skating and a hay ride. Also scheduled were fund-raisers such as parking cars for the Big E, and a February dance. An AFS weekend was held at Agawam for all foreign exchange students in the surrounding area.

AFS enables students of all grades to meet new people, visit other countries, learn about foreign nations, and have fun while doing it.

This fine club was headed by Industrial Arts teacher Mr. David Hobson. Elected officers were President Gen Seidell, Vice-president Sharon Cestari, Secretary-Treasurer Janet Mallory, and Sergeant at Arms Hope Moore.

AUDIO VISUAL AID

The AVA staff at its best!

Under the guidance of Mr. William L'Heureux, the Audio Visual Aids played a vital role in the service and operation of audio and visual equipment. This equipment, used to enhance the classroom, was delivered, operated, and picked up by the members of the club.

Kurt Jackson was the only senior member this year. Other members included Kevin Ritchie, Candi Frappier, Fred Harpin, Laura Farrington, Dennis King, Denise Bourbonnais, Pat Beattie, Mark Petrucci, Richard Schlachta, and Ronny Maniscalco. Although these members did not meet outside of school, they devoted their free time during the school day to the success of the club.

"Where do I plug this in?"

"Are they doing that right?"

"Let me help you, Kevin."

UNICORN

The Unicorn staff down to business!

The new literary magazine, Unicorn, under the supervision of English teacher, Mr. Lawrence O'Brien, was introduced to Agawam High students during the 1982-83 school year. The purpose for the publication was to allow talented students to see their creative work in print.

Voluntary applications by Agawam High School students were used as the basis for selection of the Unicorn staff. Judged by a submission of creative work, a staff of thirteen members was chosen. Gary Rescigno was designated editor-in-chief, Debbie Marai, associate editor, and Michelle Duval as art editor. Co-editors for layout were Don Lancour and Colin Wells. The eight regular staff members consisted of Andy Bird, Michelle Early, Joanne Mason, Tony Mastromatteo, Joe Maruszczak, Joe Potter, and Lynn Ziegert. This staff held meetings every Wednesday and successfully produced winter and spring issues.

This non-profit organization was aided by Mr. Collins, a graphic arts teacher, who generously printed all issues of the magazine. The success of this organization depended on the work submitted to the staff by Agawam High English students.

A confused editor?!?

Mr. O'Brien observes the action.

AGAWAM VOCAL ENSEMBLE

The Vocal Ensemble, directed by Mr. Stephen Files, underwent several changes during this past year.

The group became two groups, a Jazz singing group, and a Showchoir (dancing/singing) group. Whether a singer or dancer, every member of Vocal Ensemble performed in the Showchoir division, but only a few of the Showchoir members had performed in the Jazz division.

The Vocal Ensemble planned many competition trips which required several fund-raisers. These included a summer car wash, pancake breakfast, calendar drive, chocolate Santa drive, and the non-stop M&M drive.

The money raised from those fund-raisers was for their trip to the University of New Hampshire, where they defended their first place title in showchoir, held for two years in a row. They also needed money for an important and exciting competition in Montreal, during the spring.

The group unified their efforts on Thursday nights, under the direction of choreographer Nancy Rawson, to prepare for the grueling and long awaited competitions.

JAZZ BAND

Members of the 1982-83 Jazz Band

The Saxes wait for their cue.

The Agawam Jazz band, directed by Mr. Zachary Tileston, consisted of many enthusiastic and talented members.

The Jazz Band performed many times for the community at such places as the Holyoke Mall and Chez Josef. Because of the talent of the group, they were paid for their performances and in the future will be featured at the Chez Josef House of Banquets as a feature performing group for different functions. It was through these funds that the band was capable of planning competitions for the spring. These plans included a trip to the University of New Hampshire and a trip to Montreal.

The officers of the band included David Jagadowski as President, Joe Curran as Vice-President, Kim Stoll as Treasurer, and Cheryl Przeslo as Secretary. It was these talented officers and practicing every other day that led to the band's success.

Mr. Tileston directs the band.

CHORALE

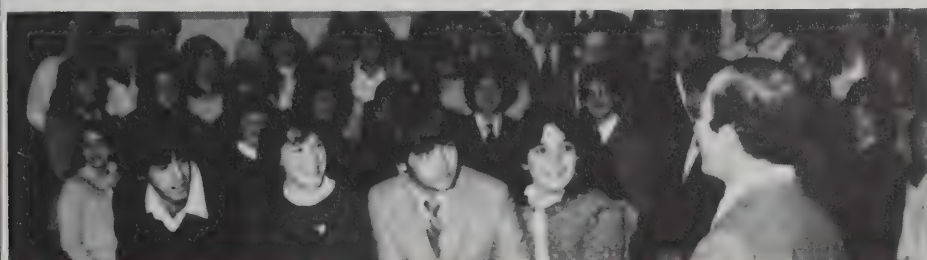

The 1982-83 Agawam Chorale.

This year, the Agawam Chorale, advised by Mr. Stephen Files, was composed of 65 talented sophomores, juniors, and seniors.

This large group was guided under the direction of Darlene Beaulieu- President, Dan White- Vice-President, Beth Phillips-Secretary, and Bob Uschmann- Treasurer.

In order to complete their competition plans, such as a trip to Montreal, the group was in need of several successful fund-raisers. Among these were a summer car wash, calendar drive, pancake breakfast, chocolate Santa drive, and the endless selling of M&M's.

The Chorale has always been a successful group. Not only do they win awards for Agawam, (they placed first last year in Newport, Rhode Island) they are successful in presenting the traditional Vaudeville Show each year. This show enables many of the talented Chorale members, as well as other music students, to display their hard work and talent in the spring each year.

The Chorale officers: Bob Uschmann, treasurer; Beth Phillips, secretary; Dan White, vice-president; Darlene Beaulieu, president.

BAND AND COLORGUARD

The awesome Agawam Band and Colorguard were kept very busy during the course of the year.

In mid-summer, the long, grueling practices were begun in order to perfect their parade and field show routines for competition, as well as for football games. Mr. Darcy Davis, along with Drum Majors Eileen Paleologopoulos, Joanne Boucher, and Kim Stoll, worked diligently to achieve the success of a very rewarding season.

Being involved in the Columbus Day Parade (once again), holding their own Band Festival, and competing in Stratford and Wakefield, kept the enthusiastic members busy throughout the year. The Agawam "Marching Mohawks" were also honored when asked to perform at half-time for the Basketball Hall of Fame game, which was held at the Springfield Civic Center and broadcasted nationwide. The members were looking forward to the long-awaited spring trip, which took place in Montreal, Canada.

Joe Curran as President, Kim Stoll as Vice-President, Fred Harpin as Secretary, Colleen Conway as Treasurer, Merritt Hopping as Manager, and Kathy Wojcik as Librarian, all joined together in the coordination of several productive band projects. These projects included a very successful dance, candy drive, and Christmas paper sale.

The dedicated colorguard, with their colorful and exciting field routines added an invigorating atmosphere to the band. The rifle captains, Donna Ferraiolo and Renee Lacour guided the talent of the rifle line through their spectacular performances. Captains, Jodi Anderson and Karla Mancini produced outstanding effects with their Junior colorguard. Sophomore Majors, Linda Desmarais and Lori Bartnik taught the first-year flag members the basics, as well as making them look like pros.

"Band candy" . . . "Attention" . . . "Right face" . . . "Eyes - With pride!!!" . . . will be in the memories of those Senior members who sadly left the excitement of the Agawam Marching Mohawks.

Soloists Merritt and Joe

The 1982 Drama Class under the direction of Mrs. Margo Poulin had a fun and interesting year. While learning the basics of acting, the class also experimented with production, lighting, stage make-up, and other facets of theater. From all of this, the theater class was able to learn the ups and downs of acting while basically having a good time.

Just clowning around.

Members of the Drama Club take time to pose.

FRENCH CLUB

Some of the dedicated French Club members.

The French Club, under the supervision of Mrs. Ann Marie Gould, held their meetings after school to plan activities which would involve their knowledge of the French language.

Elected as President and Secretary was Debbie White, Vice-President Nancy Rawson, and Treasurer Jean Nicole. The officers aided the other members in planning such activities as a sleigh ride and a cultural "food day," involving many French delicacies.

The highlight of the club's activities this year was a planned trip to Montreal. The members planned sight-seeing tours of museums and cathedrals, as well as a sampling of many French restaurants, where they would have a chance to employ their French vocabulary with expertise.

This year also marked the first year of the French National Honor Society. French students who have maintained "A" averages in French, while keeping at least a "B" average in all other majors, are eligible for membership. Although not affiliated with the French club, many dedicated French students were members of both clubs.

FUTURE SECRETARY CLUB

The Future Secretary Club, led by Mrs. Carol Grady, helps interested students learn more about the secretarial profession. In addition to their meetings, they also visited surrounding colleges such as S.T.C.C., Bay Path Junior College, and Holyoke Community College, to provide new insight in their prospective careers.

The officers of the club this year were Debbie Twarog as President, Michelle Theriault as Vice-President, Lisa Laudato as Secretary, and Lisa DiTomaso as Treasurer. The fifteen members of the club were also involved in different fund-raisers for a Senior scholarship. These included a very successful bake sale and a car wash.

Sheer concentration!

Members pay close attention.

"Really, Mrs. Grady?!?"

BUSINESS CLUB

The Business Club, working under the supervision of Mr. Rodolfo Altobelli, met each day to learn and practice the skills necessary for functioning in the business world of today.

The club was directed under the leadership of President Debbie Saliba, Vice-President Lori Robinson, co-Secretaries Terry Larocca and Renee LaCour, and Treasurer Sue Bodurtha. The sixteen-member group discussed the possibilities for both bake sales and candy sales, in order to raise money for scholarships. The scholarships were given to senior members who actively participated in the fundraising projects.

JUNIOR CLASSICAL LEAGUE

Say CHEESE!

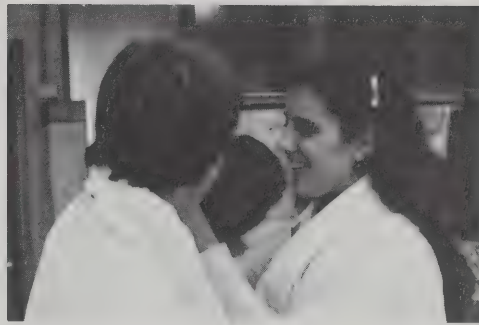

Under the direction of Mrs. Ann Marie Gould, the Junior Classical League held its meetings during Latin classes to discuss possible activities for the year.

The group performed under the guidance of its officers: President Bev Johnson, Vice-President Mike Lemay, Secretary Lynn Fratini, and Treasurer Liz Doran.

This year the members planned on such activities as Christmas caroling at the Shriner's Hospital, where they spread good cheer to many.

"You're falling apart Karen."

"Stop moving!"

LIBRARY STAFF

Our eager personnel at work.

Just ask . . . they know!

The 1982-83 library staff was a very responsible group of students, who, under the direction of Mrs. Charlotte Shimel and Mrs. Catherine O'Keefe, kept account of the library's books and magazines. These sophomores, juniors, and seniors are so dedicated that they take time away from their work to do whatever needs to be done. Whenever a crisis arose, the staff was there. With Mrs. Shimel's injury and with the collapse of one of the magazine book cases, the staff was once again able to show its reliability and dedication by pitching in at a time of crisis.

A part of the cheerful staff.

AS SCHOOLS MATCH WITS

The As Schools Match Wits Team of 1982-83 season met twice a week under the direction of English teacher, Mr. Lawrence O'Brien, to polish skills needed to compete on the television show, which airs every Saturday at 7:30.

Senior team members included Dale Patnaude, Colin Wells, and Don Lancour. Both Dale and Don competed last year, while Colin was the team's alternate. Juniors Tony Mastromatteo and Joe Maruszczak were new members of the T.V. team. Acting as a "junior varsity" were a variety of sophomore "hopefuls." By helping the team conduct matches similar to those on the actual show, these underclassmen gained the valuable experience necessary for them to make the team next year.

Practices were limited to twice a week: one day for taking notes on such competition categories as General Knowledge, Literature, Science, Geography, History, and, a new category, Film and Theater; as well as another day for practice matches. Prior to actual competition, however, practices increased. These extra practices helped to prepare them for the tough matches.

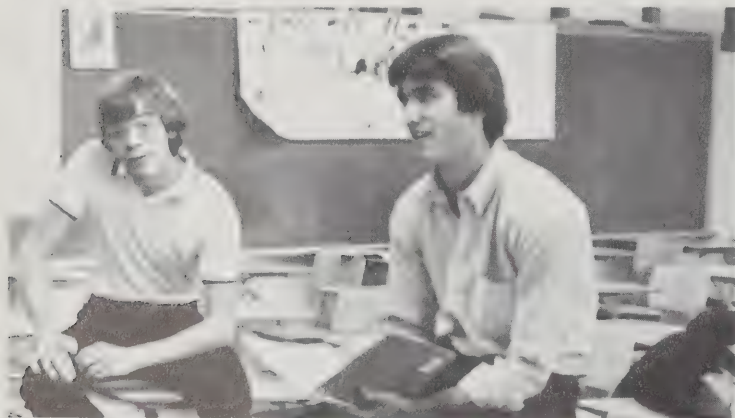

The 1982-83 team looked hopeful. By winning three preliminary matches, the team hoped to make the playoffs and beat last year's record.

NATIONAL HONOR SOCIETY

The 1982-83 members of the National Honor Society were guided by Mr. Paul Cavallo, President Maria Kozloski, Vice-President Mary Walsh, Treasurer Debbie White, Secretary Nancy Rawson, and the ten senior members of the NHS Board of Directors.

Initiation into the society for juniors and new senior members was conducted after the third term grades of the 1982-83 year had been examined. Requirements were an average of 85 and the involvement of these students in an extra-curricular activity, such as a sport, church organization, or work.

This year's officers organized a fund raiser of pens and exacted dues of three dollars a year for all members to partially subsidize a trip to New York. Also the senior members planned to dine at an elite restaurant at the end of the year, to celebrate their hard-earned academic success at Agawam High School.

MIRROR

The 1982-83 Mirror Staff, under the direction of editor Colin Wells, created an award winning paper. Placing first in the Columbia Scholastic Press Association, the staff has kept up the paper's reputation. At Holyoke Community College, the paper added The Outstanding Newspaper and Best Sports Story awards to their already impressive showcase.

Working for much of the year without their advisor Mrs. Martin, this year's staff has indeed accomplished many things. Its success is due to Don Lancour, Lynne Zeigert, Gary Rescigno, Michael Chagnon, Gina Lynch, and Beth Johnson, along with all other Mirror staff members.

Also, to help sharpen the group's talents, staff members attended a Press Forum at Holyoke Community College and a conference at Columbia University.

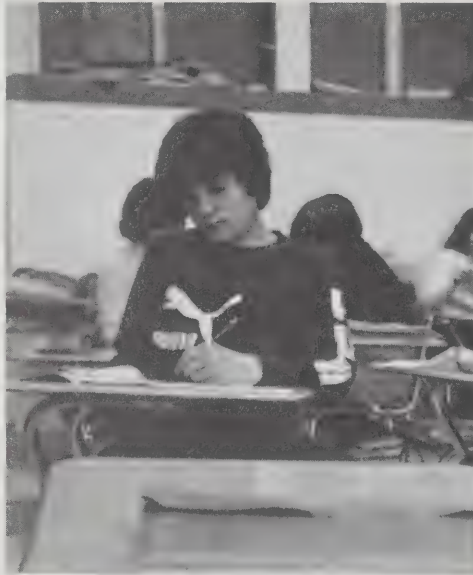

This staff deserves much recognition for its newspaper. It not only entertains the reader, but it also is very informative.

DUNGEONS AND DRAGONS

It takes sheer concentration!

"No, I don't think so, Mr. Wilson."

"That's fascinating!!"

The Dungeons and Dragons is a club advised by Mr. Wilson, which included over a dozen enthusiastic members. These members, assuming the roles of imaginary characters, such as elves, thieves, wizards, and clerics adventured into the imaginary world of castles and dungeons.

Dungeon Masters, with the aid of spells and swords, created imaginary worlds and went on adventures where they encountered dragons, demons, and many different evil beings.

This exciting and dramatic game was held after school on Tuesdays. There were no highlights in the year, but the members, matching wits and challenging opponents, had a fun year.

"Tell me about your ideas, Andy!"

MODEL CONGRESS

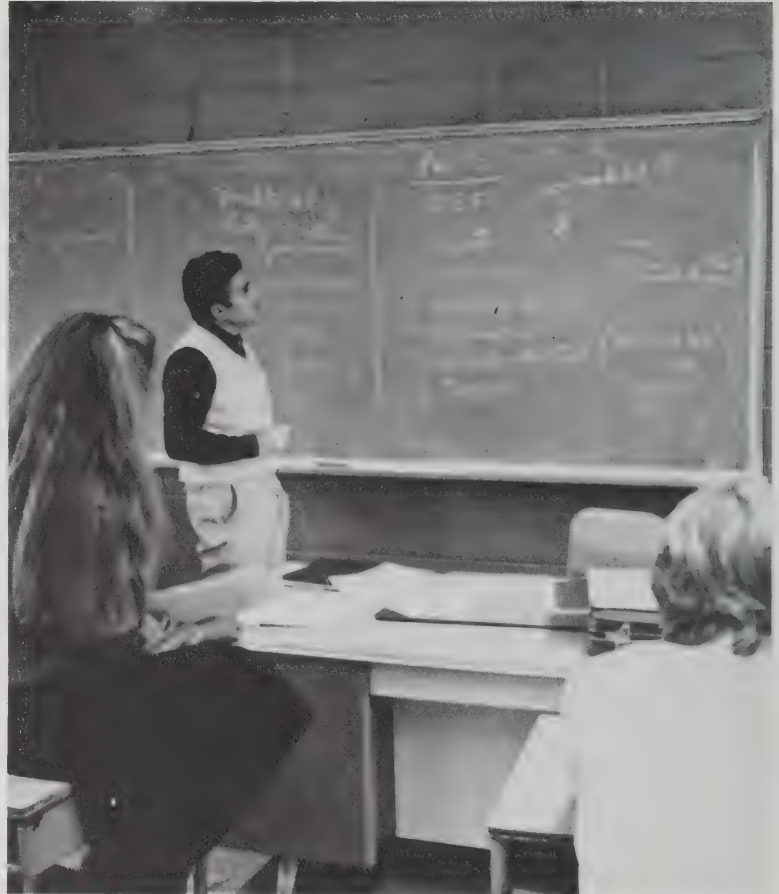

The Model Congress is a group of students under the direction of Mr. John Ferranti that is interested in teaching students about the legislative procedures of the United States.

Meeting every two or three weeks, the members studied and practiced for their annual trip to A.I.C. Under Bill Landry- Chairman, the members presented a "Pac-Man Bill" to show their skill in legislative procedures.

Though this group was small in number, those involved in it were ready and willing to put up with the many frustrations involved in putting together a good presentation in January.

"Is that a fact?!?"

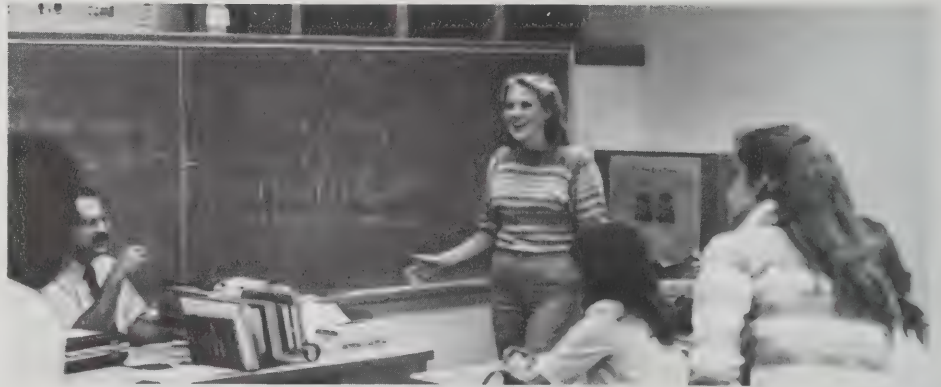

Advisor, Mr. Ferranti, working with the students.

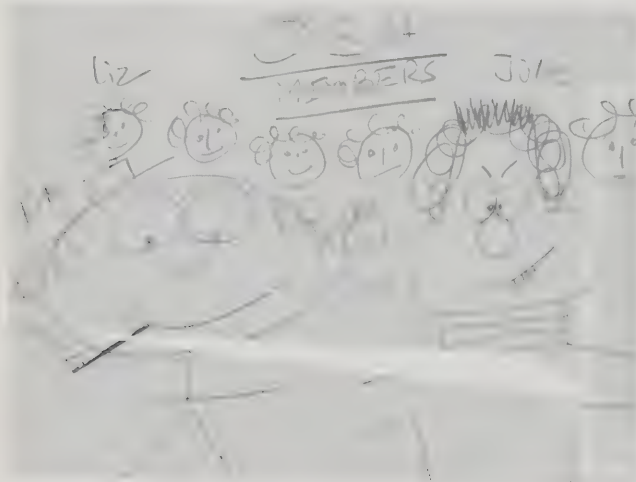

OFFICE OF STUDENT AFFAIRS

The Office of Student Affairs (O.S.A.) is a student organization made up of sophomores, juniors, and seniors.

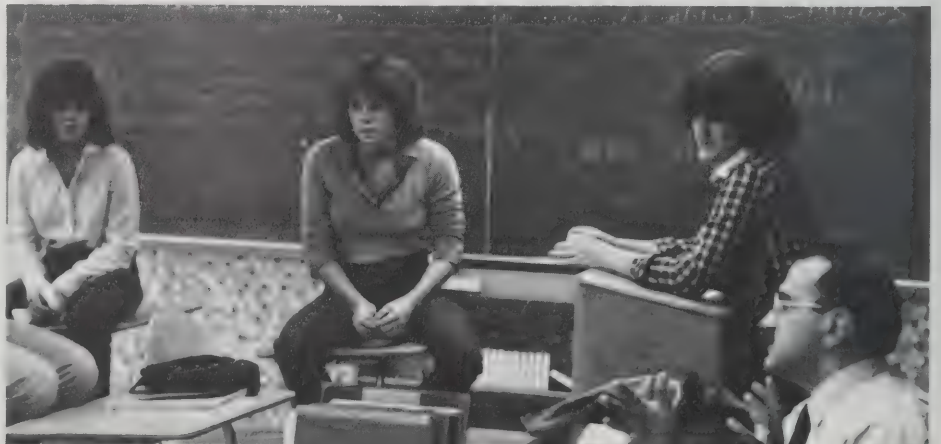

Under the direction of Mr. Albert Baggetta and Director Kim Drowns, the O.S.A. sponsored the annual carnation sale and Easter contest. They also organized the Winter Olympics, an activity for the entire school. With the rest of their time, this busy group also elected a state representative for Student Government Day and chose the recipient of the Good Citizen Award. All money made from this beneficial organization went towards student scholarships for Agawam High students.

"Boy, do I have an idea!"

PROM COMMITTEE

Steve reads over the choices.

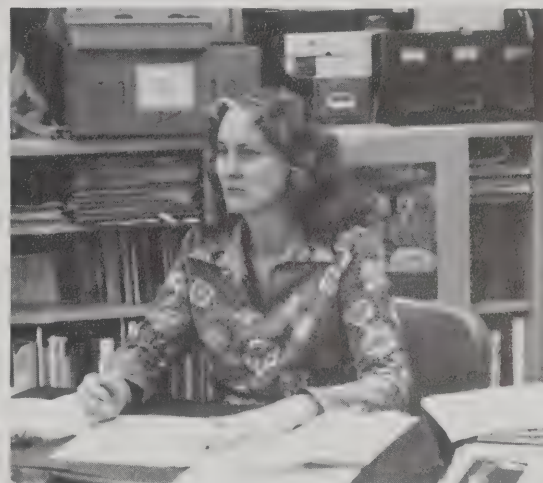

"I really don't like that idea . . ."

"How's this sound? . . ."

The Prom Committee, under the direction of Mrs. Schilling-Nordal, met after school to organize this year's Junior-Senior prom. The members had the tremendous responsibility of insuring a successful prom. They had such duties as choosing a menu, theme song, and color theme, as well as hiring a band. The prom has been traditionally held at Chez Josef, where couples have enjoyed an evening of dining and dancing. This year's Junior-Senior prom was, for many, a night to remember.

STUDENT ADVISORY COMMITTEE

The members of the SAC

The Student Advisory Committee, under the guidance of Mrs. Evelyn Hamilton, consisted of two elected members, each from the sophomore, junior, and senior classes to act as a "go-between" for the student body and the school committee.

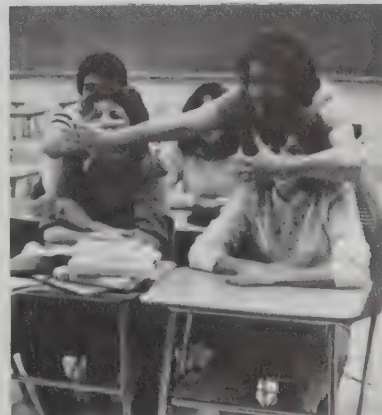

The committee consisted of: Seniors Jodi Anderson and Debbie Beauregard; Juniors Larry Manning and Lisa Herd; and Sophomores Gina Letellier and Jay Duval.

These six students attended school committee meetings, held every other Tuesday, to discuss important issues concerning the student body. These students held meetings on their own, prior to the school committee gatherings, to discuss any proposals that would be brought forth before the board. Gina Letellier was able to attend every meeting to take notes, which would be discussed by the school advisors at a later date.

This type of committee was formed at the request of the State of Massachusetts to ensure that the civil rights of high school students would be protected. In order to find the complaints of the student body, the Student Advisory Committee devised a questionnaire. This gave students the chance to reveal their grievances to their student representatives. The results proved that Agawam High School students in 1982-83 were a contented bunch of kids, who were satisfied that their rights were being observed by the high school administration.

Mrs. Hamilton's zany meetings!

They have such big mouths!

SACHEM STAFF

The Sachem Yearbook Staff met everyday last period, and at times, afterschool. Advised by Mr. David Pulaski, and editor-in-chief Diane Palazzi, the dedicated students successfully completed the first yearbook with a color senior section.

The ad staff of 1982-83 had to put in overtime to finance the new addition and still maintain the price of last year's Sachem. The business staff helped take care of the checks and financial end of yearbook production.

Literary and layout editors, Jodi Anderson, Linda Desmarais, and Richard Noyes worked with both groups to complete all of the individual pages. A new member, Tomy Hoomdorm, aided Jodi Anderson when she ran into trouble, and because of his skill will remain a permanent member for future yearbook staffs.

Student photographers Beth O'Donnell and Ellen Smith captured some fantastic pictures, that is when they decided to turn the camera on and not aim at the sky or ground.

The sports staff faithfully reviewed every Agawam High School function to aid our literary staff with necessary information.

Throughout the entire year the Sachem staff had it's fun times and great jokes to help relieve the hectic schedule and migraine headaches of meeting deadlines.

"What's the play?"

Coach Jack Michalak

You win some, you lose some.

The 1982 Football Team under the direction of coaches Jack Michalak and his assistants Paul Bachini, Rick Discenza, and Bill Sapelli, endured a disappointing season. The Varsity, due to the loss of experienced players and many injuries, proved unable to withstand the stiff competition of their division. The end result was a 1-8 record.

Their single victory against South Hadley materialized when a last minute 25 yard pass from quarterback Dean Leclerc to Mike St. Germain produced a 13-6 score.

Despite the team's disappointing season, many well-earned awards were received by players of the team. Greg Riberdy was presented the Coach's Award and Mike St. Germain was named Most Valuable Player. Given the Roger Leclerc and Clement Hobbs Awards were Steve Grasseti and Michael Beaudette respectively. These talented players also received A.A. Conference Awards.

Many thanks went to Michael O'Connell for being the team's manager for the past three years.

The team also received solid performances from Seniors Bonfitto, Bryant, DeStefano, Eggleston, Fenney, Giles, co-captain Goodwin, LaZazzera, Longhi, May, Smith, Swift, and Young.

"Mega-Awesome" definitely describes the 1982 Agawam Girls' Soccer Team, which won the Western Mass. Tournament. Finishing with a 11-3-5 record, and tying Chicopee for the B - Division crown, the girls earned their position and a fifth-seed in the Tournament.

The teams' first post-season opponent was Mount Greylock. In that game, the team introduced what was to be their special weapon: overtime. They beat Mt. Greylock 4-1 in triple overtime, and went on to clinch a 3-2 thriller against first-seeded Cathedral in sudden death overtime. In their final game, against Chicopee, Agawam girls again went into overtime to take the Western Mass. Title, 2-1.

Although the team will be losing Senior co-captains Maria Kozloski and Debbie Dalton, the prospects for next year's team are fantastic. With such outstanding players as Jennifer O'Brien, Lena Kozloski, Diane Goodman, Julie Miodowski, and Cari Szabla, along with other returning players, and the upcoming J.V. and Freshman players, Coach William O'Brien can look forward to another tremendous season.

The three Senior members included Kevin Atkinson, Dawn Barr and Kris Letendre. The strong Junior members of the team were Guy Jediny, Jim Wright, and Russ Vigue. These athletes along with twelve other outstanding runners had some fantastic meets against Tech, a tri-meet against South Hadley and Hampshire Regional, and many other strong showings.

As underclassmen, Guy Jediny, Jim Wright, and Russ Vigue went to the Western Mass. Meet. With talent like this, the 1983 Cross Country Team should experience a spectacular year.

Leading the team were Seniors George Sandlin, Boo Smith, Jim Giles, and Dan Shaughnessy.

At press time, the season's highlight was a 70-61 win over fellow A Division contender, Westfield. The team was sparked by Juniors Scott Cofer and Dean Leclerc with twenty-five and thirteen points respectively. There also were strong performances by Rocky Bush and Mike Shayda.

Strong performances were given by the entire team, including Senior tri-captains, Barb Walsh, Debbie Dalton, and Maria Kozloski.

The J.V. girls' cagers had an impressive season. Under the coaching of Leslie Clark, the girls posted several victories. Next year's varsity team will receive a lot of talent when these JV girls move up.

A moment of relaxation for team members.

In past years, the Agawam Boys' Baseball team has always done well, and the 1982 team, coached by Gerald Smith, was no exception. The Boys, sporting a 13-7 record, placed second in B Division, and made it to the semi-finals of the Division I Tournament.

Expert hitting, by Seniors Kevin Barnes, Keith Mercadante, and George Groom, aided the team to many victories. Pitching by Seniors John Calabrese and Dave Vecchiarelli and Juniors Boo Smith and Tony Bryant, stunned Agawam's opponents. With Seniors Scott Negrucci at shortstop, Tim Ayre at third base, Tony Venturini at second base, and Jim Egan in the outfield, the Brownie defense was superb.

Next year's team has a hopeful outlook, in spite of losing the 1981-82 Seniors Scott Josephson, John Bonavita, Bob Maltoni, and Paul Dezielle. In conclusion, Agawam's 1981-82 Varsity Baseball Team can be summed up in one word: AWESOME!

The 1982 Varsity Girls' Softball team, guided by Coach Larry Sheehan, had a fair season, ending up with a 7-10 record. The team was led by strong pitching by senior Betsy O'Keefe and sophomore Gina Frasco, who had a one-hitter.

Betsy, who had three home runs, was given the team's Most Valuable Senior Award. Sophomore Lena Kozloski was given the Player of the Year Award and senior Terri-Ann Ouellette was given the Good Sportsmanship Award.

Despite various problems and injuries, the team faired well. Even considering the loss of seniors Barb Kierkla, Diane Ouellette, Terri-Ann Ouellette, Betsy O'Keefe, Peggy Foley, Lea-Ann Sibilia, and Cheryl Lamb, the outlook for next year's team looks promising.

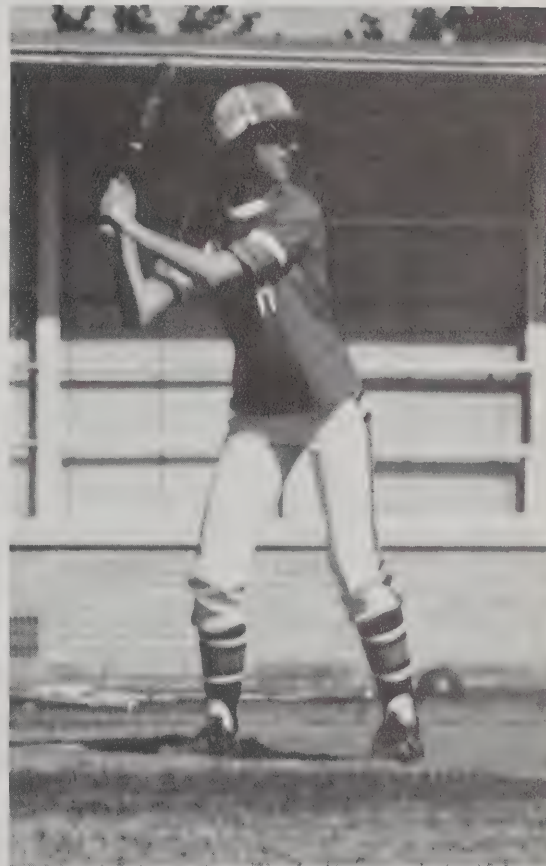

The dedicated Junior Varsity team, coached by Diane Mercadante, had an awesome record of 15-4, placing first in their division. The addition of J.V. players to the Varsity roster next year will add to the team's depth.

Awesome form, Ralph!

GIRLS' TENNIS

The 1982 Girls' Tennis Team: (l. to r.) Gidget Joy, Beth O'Donnell, Diana Raymond, Coach Wolochowicz, Michelle Early, Marissa Scibelli, Lisa Laudato, Diana Bulson, Chris Altobelli, and Dawn Tlusty.

The 1982 Girls' Tennis team was coached by Miss Wolochowicz and led by Seniors Chris Altobelli and Gidget Joy. Chris maintained an undefeated personal record, as well as being the only person from Agawam to be seeded in the Western Mass. Tournament.

The 1983 Girls' Tennis team is looking to improve upon the 1982 season with the help of a large number of returning underclassmen, including returning Juniors Beth O'Donnell, Marissa Scibelli, and Diana Bulson.

The team reviews their strategy with Coach Wolochowicz.

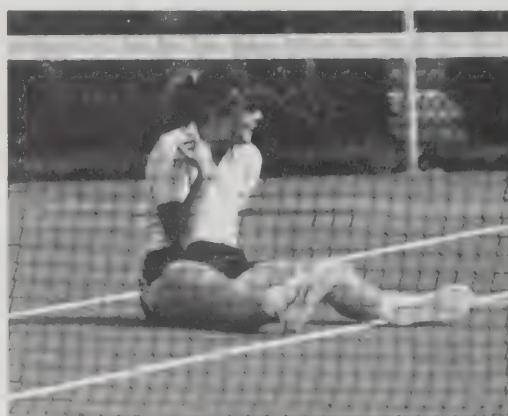

"... And then he said ..."

Diana gets ready for her match.

"Love-thirty!"

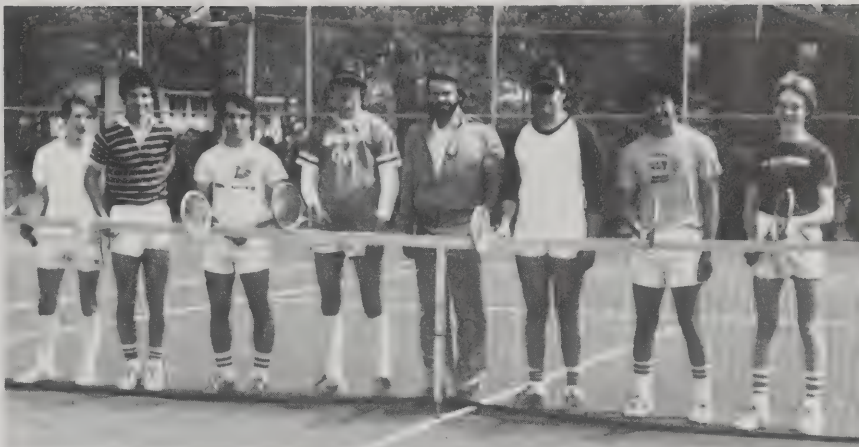

"Sitting down on the job, Beth?"

BOYS' TENNIS

The 1982 Boys' Tennis Team, coached by Richard Cowles, and trained by Senior David Jenks, suffered a rather disappointing season. This was due to the lack of interest in the sport, and also to the lack of support from the fans.

The boys were led by Senior Captain Charles Noble, and Senior Assistant Captains, Barry Wu and Tom Paleologopoulos.

Highlighting their season were two well-deserved victories over Palmer.

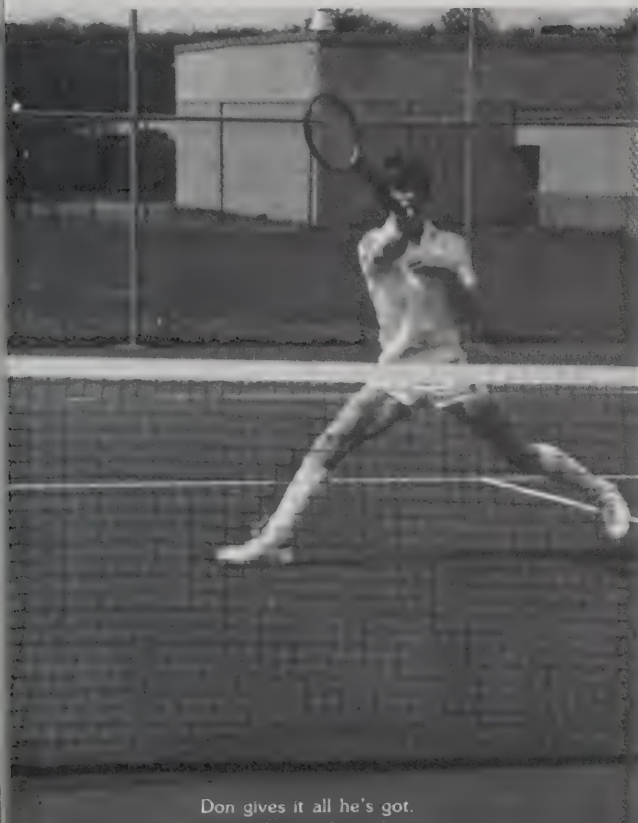

The 1982 Boys' Tennis Team: Don Lancour, Tom Paleologopoulos, Charlie Noble, Steve Grenier, Coach Cowles, Greg Riberdy, Barry Wu, and Steven Oberle.

"Wait! I'm not ready yet!"

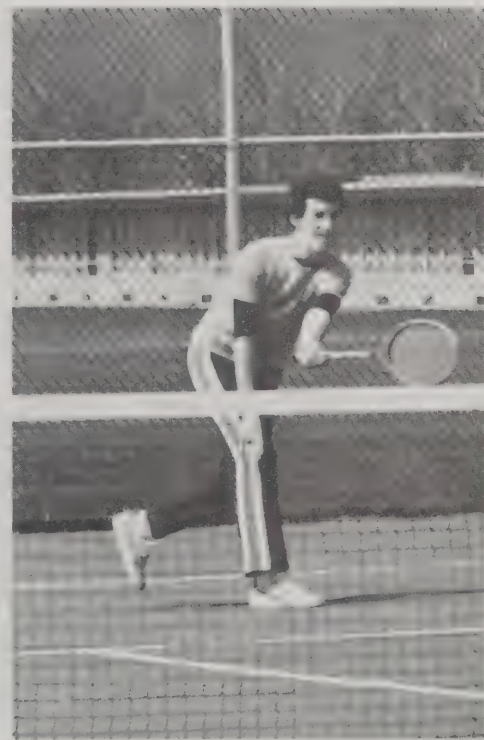

Coach gives them the line-up.

Don gives it all he's got.

Look out! Here goes Barry!

Way to go, Dave!

GIRLS' TRACK

Front l-r: Asst. Coach Anna Piliero, Coach Kathy Spellacy, Donna Wesley, Lisa Letendre, Amy Porter, Jane Wright, Tina Ogorzalek, Tara Hazen, Michelle Gumbs. Second row l-r: Debbie Cruz, Lynn Fratini, Karen Wesley, Dawn Barr, Jolene Mercadante, Shelly Merchant, Gina Fazio, Kim McFarlin, Kris Letendre, Tina Wright. Third row: Co-capt. Rita Iacolo and Lori Costa, Pam Anderson, Cherie Santagate, and Co-capt Tami Fassnacht.

Lynn anticipates the outcome of her throw.

Jolene prepares for her event.

"Dedication plus" describes the 1982 Girls' Track Team. With only twenty-one members, these girls held their own. First-year coach Kathy Spellacy, assisted by former track members Anna Piliero and Denise Murray helped to further develop the girls' track and field skills.

Highlighter of the hurdles was Junior, Jolene Mercadante, who placed first in several meets. The relay team, which consisted of Senior Tammy Fassnacht, Juniors Shelly Merchant, and Kim McFarlin, and Sophomore Tara Hazen, made it to the Western Mass. meet.

The team was led by Senior captains Tammy Fassnacht, Rita Iacolo, and Lori Costa. The other Senior members were Pam Anderson and Cherie Santagate.

The returning girls are looking forward to this upcoming season and they feel that more accomplishments could be achieved with a larger team.

Our air-borne athletes!

An experienced background, and a lot of individual talent helped the 1982 Boys' Track team to a terrific 9-3 overall record. This team gave Coach Gus Young a reason to be proud!

Sprinters, Senior captain Mike Wands, and Junior Mike LaZazzera, placed first and second in many meets, and also qualified for the 100 and 220 yard dash in the Western Mass. meet. Seniors John Danaher, Dan Jury, and captain Mike Hazen, proved to be strong distance runners for the team. Junior Jeff Losito, and Senior captain Scott Smith amazed their opponents with terrific throws in shotput and discus. Freshman John Losito and Senior Nadim Yacteen surprised everyone with their fantastic measures in the high jump.

Despite the graduation of the senior members John Kajka, Mike Carr, Jim Wagner, Wayne Langevin, and Mike Quill, the team remains optimistic, and is looking forward to another successful season.

Jeff giving his all for the team.

The perfect form of victory.

John setting the pace for another Agawam triumph.

GOLF

The 1982 Golf Team: Back row: Mike Pepper, Tom Bennett, Jean Nicole, Paul Wood, Coach Bachini. Front row: Mike Farwell, Rick Leal, Joe Maruszczak, and Alan D'Amours.

The 1982 Agawam Golf Team, aided by Coach Bachini, had a good season, finishing with a 6-6 record.

Captains were senior Tom Bennett, and junior Jean Nicole. These captains led their team to an impressive play, highlighted by two victories over West Springfield. There, Jean qualified to play in the Western Mass. tournament.

Even though they lost senior members Tom Bennett, Jim Podgorski, Paul Wood, and Paul Cerpovicz to graduation, the team has a good number of returning players. These make the prospects for the 1983 team look promising.

Better luck next time, Jean.

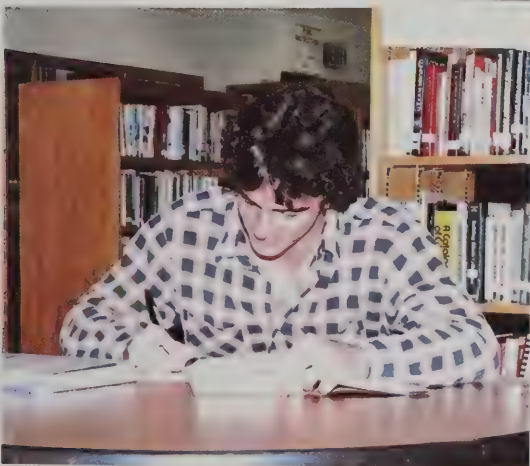

"Now THAT is a golf course."

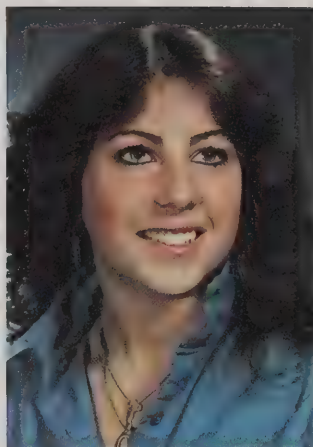

"Wow! Did I really hit it?!"

Love, the Class of '83

CAPTAINS' JOURNAL

Our voyage began in 1980 when we boarded for uncharted waters. Its vastness overwhelmed us as we waited for our new commanders to guide us through the deep unknown. We could not help but feel as though we were minnows in an ocean of sharks.

It did not take long before we realized that there were no elevators on board. What did the Senior crew members think? That we were naive? (So maybe we all bought one or two.) We began getting involved in everyday activities. Four of our shipmates were brave enough to venture out into the rough waters and take the helm. Navigated by Miss Mary Wolochowicz, our commanding officers were Captain Colin Wells, Co-Captain Steve Young, First Mate Debbie White, and Purser Raelene Davis.

Many events and awards during our first year propelled us through the briny, turbulent waters, and inflated our pride. The As School Match Wits Team won the championship in 1981, and Model Congress was presented "Best Bill" at A.I.C. Our mighty Marching Mohawks had a great season, placing first in the Columbus Day Parade, while the Vocal Ensemble and the newly created Showchoir won its first award: "The 1981 Outstanding Showchoir." If these accomplishments were not enough to heighten our school spirit, and liven our sojourn, the Cheerleaders reemphasized this aspect when they took first place in the Pioneer Valley Interscholastic Cheerleading Competition.

While, we as a single body, were experiencing happiness and success, the world's affairs did not treat us as kindly. Proposition 2½ was voted in, filling many of our commanders with the uneasiness of job security, and our sports teams, and various organizations, with hesitation concerning their budgets for the upcoming season. We were forced to raise money for budget cuts by means of M & M's, Reese's Peanut Cups, and calenders. Everywhere we turned, chocolate permeated the air, much to the dismay of figure conscious people. To add to the budget slashes, Ronald Reagan was elected as our fortieth President.

There was much sorrow and shock when the shooting of John Lennon on December 8, 1980, and the death of our beloved principle, Mr. David Theodorowicz in August, 1981, were made known. The nation did rejoice, however, as the fifty-two American hostages were released on January 20, 1981, after 444 days of captivity, which prompted a nation to prayers, and an expression of love through a flood of yellow ribbons. They defined and reemphasized the meaning of freedom and liberty, which we, as Americans, hold so dear. The same year saw the eyes of the nation turn to their television sets to witness the exchange of wedding vows between Prince Charles of Wales, and Lady Diana Spencer in a Royal Wedding, which sparked romanticism in the hearts of many, and rekindled the traditional values of love and marriage.

With all these events filling the first leg of the journey with fond memories, the year passed by in what seemed a fortnight. Relieved that we had the first, trying year behind us, we eagerly looked toward the second year of our voyage with many expectations.

Our travels continued, and we as Juniors embarked on new and mysterious waters. With the onset of our eleventh year, noted to be the hardest academically, we actually saw paradise begin to materialize in front of our eyes. Our graduation was in sight, and it became less difficult to bear the stretch of academic tests, such as the PSAT's, ASVAB's and others, if we so chose to take them.

The ringman came in October and ingrained the idea of graduation into our hopes. We had gained our sea legs, a sense of pride in our accomplishments, and importance as young adults. The end seemed so close, yet we all realized the seemingly endlessness of the path that would lead us there.

We continued our navigation under the direction of Captain Boo Smith, Co-Captain Steve Young, First Mate Joanne Piliero, and Purser Colin Wells, who were guided by Mrs. Mary Charest. They organized a successful Christmas ornament sale, whose proceeds went to defray the cost of the Junior-Senior Prom of 1982. The prom, held on April 22, 1982, utilized the theme "Endless Love," to inspire the dreams of young couples, and was again held at Chez Josef.

The sports teams were extremely successful during the course of the year. Their successes included the Football Team's great victory over Westside on Thanksgiving Day, and the Boy's Varsity Basketball Team's claim of the B Division Championship title.

On the side of entertainment, the talented Showchoir placed first at the University of New Hampshire for the second year in a row, hopefully looking to maintain their title in the future. The band and colorguard again coveted first place in the Columbus Day Parade.

The month of April wreaked its vengeance upon us as we ran into troubled waters, due to a freak blizzard. For three consecutive days, activities were dampened. This unseasonal weather did not seem strange because it fit into the array of events that were happening in the world around us.

The crisis occurring in Poland proved a time of tough endurance for the Polish people, for it was not stabilizing. Lech Walesa, the Polish Solidarity Union Leader, proclaimed a refusal to the subjection of martial law, imposed on his workers.

The journey continued and we watched the days pass. Navigating by a seven day period and a six day week, we took orders from the many captains commanding us. The days passed by rather quickly, carrying us over gales, reefs, and other tremendous obstacles in our way.

At the end of the Junior year, we set our sights on what was to come. With two-thirds of the adventure completed, the last and best part remained. We saw time pass, and as we looked into the horizon, we were anxious and curious about what we were about to endeavor.

Our voyage was near completion. The fall of 1982 invigorated our lives with a sense of power. We were Seniors! Oh, the feeling of domination and invincibility were overwhelming. The school appeared different, there were no more unfamiliar classes, or underclassmen jitters. We were **it**, and our attitude and enthusiasm proved it.

Proposition 2½ remained a heavy burden, creating money problems, but the traditional magazine drive helped alleviate the burden. We were guided with the help of Senior officers Captain Mary Moreau, Co-Captain Richard Noyes, First Mate Linda Desmarais, and Purser Jody Dennis who filled our last leg of the voyage with many entertaining activities.

Craziness arrived on certain Fridays, which were designated Senior hat, tie, and punk Days. Then silliness was introduced with the Kid Party, on December 10, 1982, our last shot to partake in childish antics. Finally, realizing we all could be sophisticated when we tried, the Valentines Day Semi-Formal held at Shaker Farms, and the Prom allowed us the perfect chance to prove this. We were on our way to becoming adults.

The Girls' Varsity Soccer Team made us beam with pride and patriotism when they beat Chicopee High School to win their first Western Mass. Title. The boys' team successfully maintained our spirit when they took the championship for their division. The transitional move from B Division Basketball Champs to A Division obscurity was a tough move, but one we could withstand.

In winter, our Hockey Team kept us winners. They maintained their status in two exciting games with Cathedral. They won one, and tied the second, all while fighting to maintain their first place standing. Along with these successes, the Varsity Cheerleaders again placed first in the Pioneer Valley Competition in January.

The journey became tough as we underwent strenuous testing, for instance, the SAT's, ACH's, etc., which would decide our next adventure. Still undecided concerning our careers, the choice emphasized our insecurity. We thought high school was forever.

We were soon to realize otherwise, when Collegiate Cap and Gown Co. arrived to take our measurements for our graduation cap and gowns. We broke from the traditional colors of orange and brown to elevate us to a more formal look with white and brown. Graduation was so close, but yet so far.

As we prepared to fully enter into it, the world around us was falling apart. Gloom had replaced optimism as unemployment neared 11%, as the recession deepened, and as businesses and banks failed. Wars filled the TV screens of our last summer vacation, first in the Falkland's, later in the Middle East. The gloom was briefly broken by the captivation of the world with E.T., the Extra-Terrestrial. Still, we had cause to worry about the future.

Tragedies seemed to hit us close at home when we lost a beloved American Princess, Grace of Monaco, and American film actor Henry Fonda. We realized our mortality and life seemed more dear. The tragic Tylenol murders, motivated by a senseless killer, stunned the nation in a new and peculiar fashion. Life, we realized, was precious. We became more cautious, and learned to enjoy the life we were living.

As we were preparing to board for our voyage through life, we couldn't help but feel that our excursion through high school had ended all too soon. Those three years were the most difficult yet and most exciting years of our life. Where did they go? They were locked inside many memories which we will cherish forever.

The Class of '83 agrees-this sign says it all!

Jodi raises cane.

Agawam's very own Dolly Parton?

Everyone enjoyed the meal on this special night.

The Seniors at their last Soccer Rally.

Loving couples cherished each and every dance.

Debbie and Mark "wheelbarrow" the Seniors to a victory.

SENIOR HAPPENINGS

HAT DAY

Our own Laura Ingalls.

He belongs to the Village People?

A motley crew, if there ever was one.

The AHS line-up.

TIE DAY

What's so funny Phil?

Joe, what's the occasion?

The casual look of Kim.

Who's that look for, Jeff?

PUNK DAY

"No one can mess with me!"

The punk rockers of Agawam.

"Wait! We're not ready yet!"

Who's behind those Foster Grants?!

VOLLEYBALL TOURNAMENT

"Please go over!"

The Eggbeaters on their way to victory.

"Look! I'm flying!"

WINTER OLYMPICS

Debbie and Mark invent a new dance!

"We are supposed to do what?"

Our superior Seniors, "behind" the scenes!

The Sophomores barreled their way through the races.

The Seniors rejoice over their team's victory.

Okay guys, you can stop now!

SOCCER RALLY

"Do you know what I heard . . . ?"

The 1982-83 Soccer Team . . . WOW!

"I wonder what is at the other end."

Here we go . . .

The Cheerleaders "get down"!

The Seniors have the spirit!

WEST SIDE RALLY

The Class of '83 isn't afraid to show its pride.

Three cheers for the Gridiron Moms!!

Seniors enjoy their last rally.

Our 1983 Cheerleaders in action.

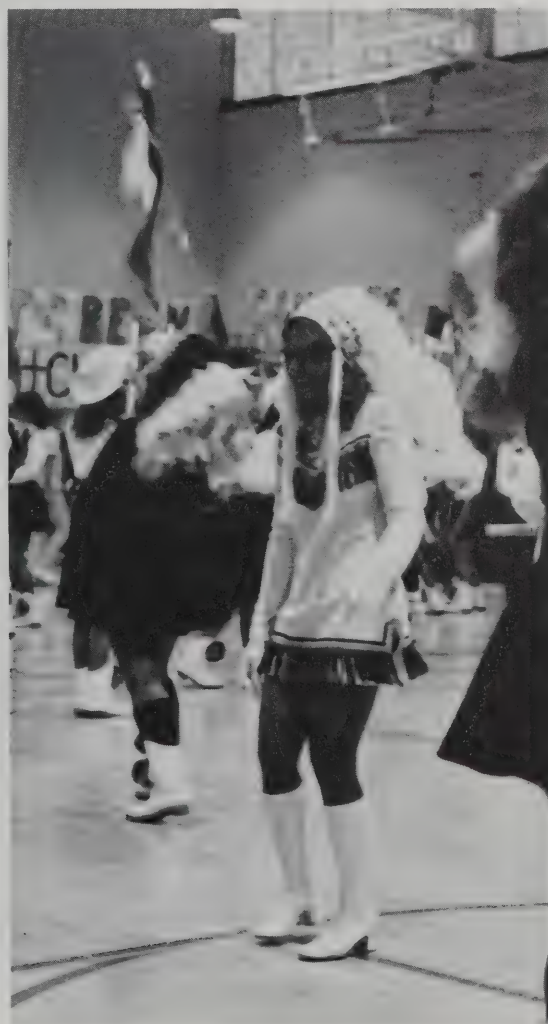

Getting ready for the big time.

Finding it hard to keep a straight face?

"Will we have as much fun at **our** Senior rally?"

What a time to get the giggles, Karla!

"Tell me what to do . . . Quick!"

Steve and Mark make their entrance.

Kid Party

They came in all shapes and sizes.

Hey baby, want to dance?

The Enchanted Forest.

Brian and Jean enjoy a "hair-raising" experience.

Ellen, Barb and Maria- Blinded by the light??

Just "clowning" around.

The 1983 Seniors "kidding" around.

Time out for a picture.

Mr. Peanut and his friends are a class act.

We've got spirit . . . Yes we do!

Agawam's very own Strawberry Shortcake collection.

SEMI-FORMAL DANCE

Mary's got the beat.

Our super chaperones.

Let's BOOGIE!

Shaker Farms has the perfect facilities to create special moments.

Chris and Tony relax after dinner.

The band Tempest provides good entertainment for the Semi-Formal.

A happy couple smiles with pleasure.

All tables enjoyed the fine cuisine of either roast beef or stuffed capon.

Enjoying a time by themselves.

Steve and Sue enjoy a tender moment.

Good friends enjoying good times.

PROM '82 . . . "ENDLESS LOVE"

Ellen and Troy enjoy an intimate moment on the dance floor.

Debbie and Bob pause for the camera.

Tammy gets a laugh out of the evening.

"A toast to a joyous occasion!"

Lori and Cathy are glowing from the night's events.

Tim and Liane point out the beautiful atmosphere provided by Chez Josef.

The head table enjoyed the fine service at Chez Josef.

Sheila and her escort seem to be enjoying the excellent food and music.

Frankie and Sue will always remember the Prom of 1982.

Steven entertains his date Sue with an amusing joke.

Steve and Terri spin around the floor to the music of Sundown.

IN MEMORY OF LISA BARDSLEY

Friends . . . Sandy, Lisa, and Lori.

RELAXING . . .

There is a peaceful spot in the woods where I go to unwind and relax. I follow a meandering path through the thickly settled forest until I find my special spot in a clearing under a sweet-smelling pine tree. As I sink on the spongy earth below me, I feel the slight prickle of the fallen pine needles. I listen to the crackle of the cool stream flowing near by and the high-pitched songs of the wild birds over head. Almost tasting the bittersweet, fresh air I think to myself, "I really can't find anything more relaxing or satisfying than Nature."

Lisa Bardsley

MEMORIES

Lisa, only yesterday we laughed,
And we shared good times together.
For some strange and unknown reason,
You've left us all, now, Forever.
Photographs of times we shared
Treasured in our books.
Thoughts of silly things we did,
And Oh! Those crazy looks.
We'll never know why your time came,
At the Season of Great Giving . . .
All we ask of ourselves is . . .
Why couldn't you go on living?
High School times and memories
are joys you left behind.
Why, at Eighteen, we'll never know . . .
Perhaps, your "Peace of Mind".

Loved and missed by class-
mates and special friends.

MEMORIES . . .

WORLD EVENTS

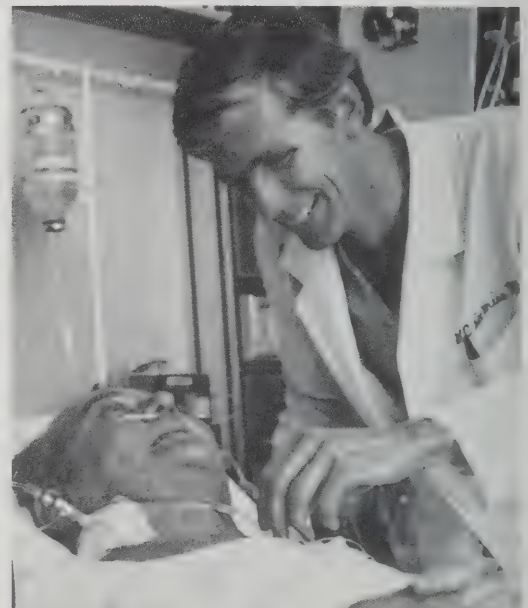

1982 saw a new heir to the British throne — Prince William of Wales.

Soviet President Brezhnev died in November.

The first, and hopefully last, pro-football strike occurred in the fall of 1982.

Barney Clark received the first artificial heart.

The man who shot the President was found innocent: John Hinckley.

The world lost a Princess — Grace Kelly

Solidarity Leader Lech Walesa was finally released.

Beirut was destroyed by the Israeli attack on the PLO.

February, 1983 saw the last episode of M*A*S*H.

E.T. captured millions of hearts and tears.

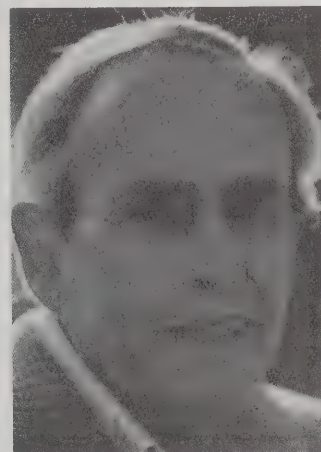

An all-out war erupted over the Falkland Islands.

Millions joined the Pac-Man bandwagon in 1982.

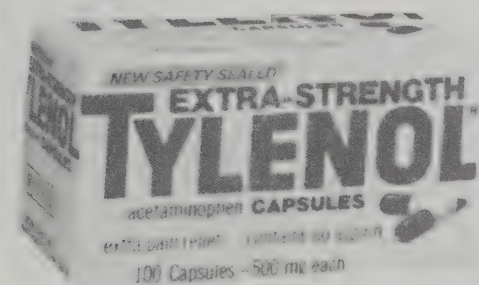

Unemployment was the national tragedy throughout 1982.

Beloved actor Henry Fonda died.

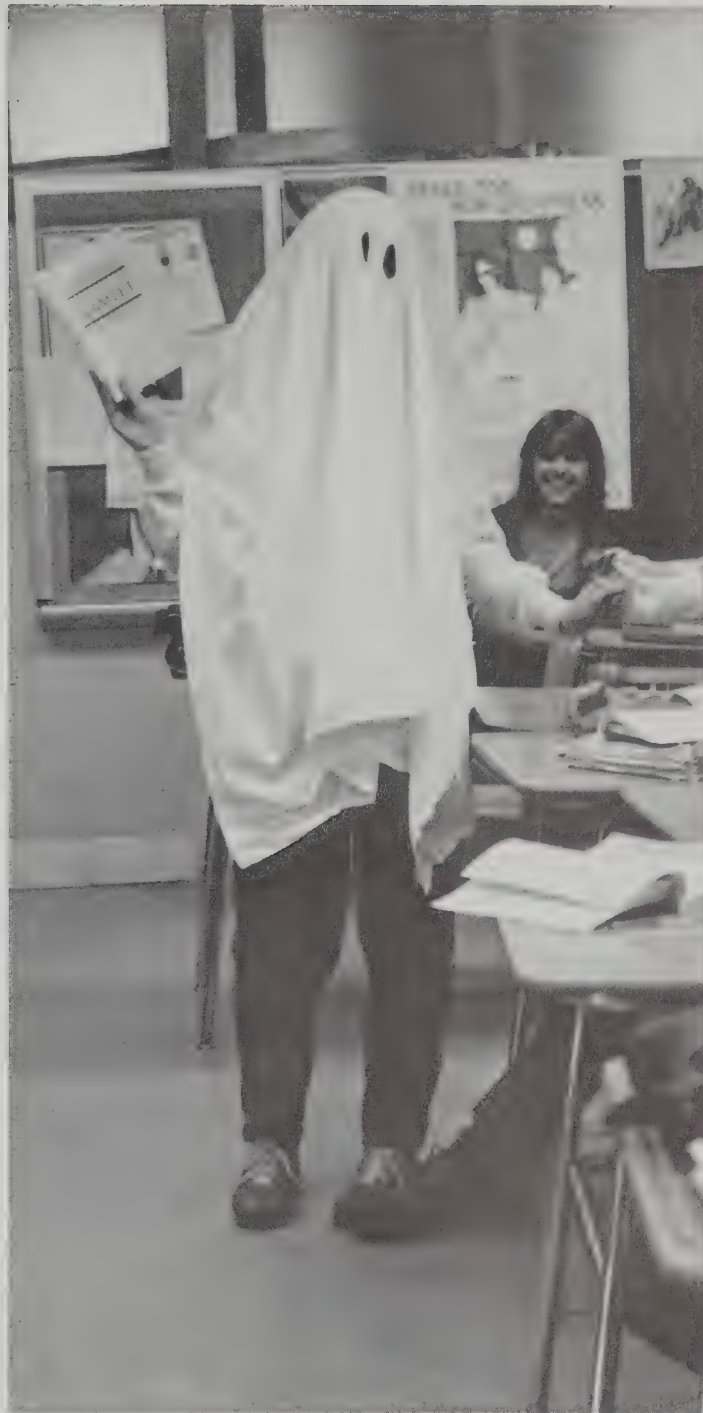

Alexander Haig resigned as Secretary of State.

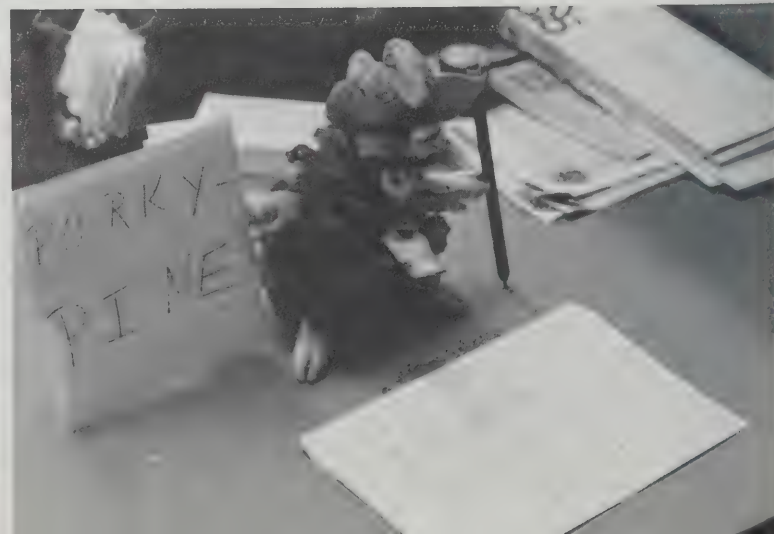

The Tylenol murders killed 7 in Chicago, and showed how vulnerable we really are.

ONE LAST LOOK...

THOSE WERE THE DAYS . . .

THE CLASS OF '83

As I reflect upon the class of '83 and how they grew to become Seniors, I am sadly reminded of how quickly our underclassmen years had passed. As in our theme, we "sailed" through our high school years. On our voyage throughout Agawam High School, we hit many rough waters but these were soon forgotten among the memorable events and happenings. The Seniors of '83 proved themselves to be a class of total distinction, creating valuable memories to be cherished forever.

In composing this year's Sachem, our main objective was to capture lasting impressions of those moments we will soon wish to relive. I would like to commend the entire Sachem staff on their hard work and dedication, which allowed the Sachem yearbook to contain for the first time, a color senior section. They continued to work diligently, always being prepared for pressuring deadlines. Special thanks also go to my Associate Editors, Jodi Anderson, Linda Desmarais, and Richard Noyes, for their exceptional assistance. I would also like to express my appreciation for the help given us by Mr. Don Lendry, our yearbook representative.

Most importantly, I find myself at a loss for words with which to extend my deepest appreciation to Mr. David Pulaski. His inner strength, advice, and understanding are a constant source of motivation. To describe this man in one word, that word would be "dedicated." Thank you, Mr. P.

To the class of '83, best wishes for a successful life, and through happiness, may you achieve all your goals.

With hopes for a new beginning,

Diane Palazzi

Mr. P. and Di — in the beginning it seemed so easy. But, little did I know of the trials and tribulations of being a yearbook staff editor.
